1 (2) LATE-STAGE PROJECT SUPPORT.—The term
2 “late-stage project support” includes support de-
3 scribed in section 1421 of the Better Utilization of
4 Investments Leading to Development Act of 2018
5 (also referred to as the “BUILD Act of 2018”; en-
6 acted as division F of the FAA Reauthorization Act
7 of 2018 (Public Law 115–254)).

8 (3) INTERNATIONAL FINANCIAL INSTITU-
9 TION.—The term “international financial institu-
10 tion” has the meaning given such term in section
11 1701(c) of the International Financial Institutions
12 Act (22 U.S.C. 262r(c)).

13 **SEC. 3. SENSE OF CONGRESS; STATEMENT OF POLICY.**

14 (a) SENSE OF CONGRESS.—It is the sense of Con-
15 gress that the United States has economic and national
16 security interests in assisting European and Eurasian
17 countries achieve energy security through diversification
18 of their energy sources and supply routes.

19 (b) STATEMENT OF POLICY.—It is the policy of the
20 United States to—

21 (1) advance United States foreign policy and
22 development goals by assisting European and Eur-
23 asian countries to reduce their dependence on energy
24 resources from countries that use energy dependence
25 for undue political influence, such as the Russian

1 Federation, which has used natural gas to coerce, in-
2 timidate, and influence other countries;

3 (2) promote the energy security of European
4 and Eurasian allies and partners of the United
5 States by encouraging the development of accessible,
6 transparent, and competitive energy markets that
7 provide diversified sources, types, and routes of en-
8 ergy;

9 (3) encourage United States public and private
10 sector investment in European and Eurasian energy
11 infrastructure projects to bridge the gap between en-
12 ergy security requirements and commercial demand
13 in a way that is consistent with the region's absorp-
14 tive capacity;

15 (4) help facilitate a well-functioning market for
16 energy resources in a way that benefits the energy
17 security of the United States and European and
18 Eurasian allies and partners of the United States;
19 and

20 (5) help facilitate the export of United States
21 energy technology and expertise to global markets.

1 **SEC. 4. PRIORITIZATION OF EFFORTS AND ASSISTANCE**
2 **FOR ENERGY INFRASTRUCTURE PROJECTS**
3 **IN EUROPE AND EURASIA.**

4 (a) IN GENERAL.—In pursuing the policy described
5 in section 3(b), the Secretary of State, in coordination
6 with the heads of United States agencies that operate
7 under the foreign policy guidance of the Secretary, shall,
8 as appropriate, prioritize and expedite the efforts of the
9 Department of State and such agencies in supporting the
10 efforts of the European Commission and European and
11 Eurasian countries to increase the energy security of such
12 countries, including through—

13 (1) providing diplomatic and political support to
14 the European Commission and such countries, as
15 necessary to—

16 (A) facilitate international negotiations
17 concerning cross-border infrastructure;

18 (B) enhance Europe's and Eurasia's regu-
19 latory environment with respect to energy; and
